Key Features:

- Edited and authored by the American Association of Emergency Nurse Practitioners
- Provides succinct and pertinent details regarding patient management and care
- Mirrors the AAENP Certification blueprint for use as a certification review guide
- Addresses complexity and the need for acuity in the ENP setting
- Includes 12 months' free Springer Connect Digital Access with print purchase!

Edited by the American Academy of Emergency Nurse Practitioners, this authoritative resource encompasses the full scope of holistic, evidence-based practice across the lifespan and serves as a comprehensive certification review for emergency nurse practitioners (ENPs).

The only book written specifically for this specialty practice, it delivers essential core knowledge for ENPs in all relevant programs and practice arenas. The book's four editors, 57 authors, and 15 reviewers—all recognized leaders in the field—present the most current knowledge available in a clear and succinct format.
